MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Director of Central Intelligence

1. McFarlane has agreed that this is a good idea.
2. The Pak nuclear issue is being worked on by Fortier and will not be finalized until next week. They have your suggestions. They should get the most recent report and someone should stay close to them until they finalize.
3. Shultz assured me that there will be no ceasefire, but there will be a proposal to everybody to take troops out of foreign countries and I am a little nervous about whether it will have the effect of a ceasefire. This is to go into the speech the President will make on Thursday and there is an NSC on that on Monday, so we have to get ready for that.
